

## Tank Farm Operator

**Employment Type:** Full Time

**Job Type:** Hourly

**Location:** Houston Texas IAH - George Bush Intercontinental Airport

**Organization:** Allied Aviation Fueling of Houston Inc.

**Benefits:** Paid weekly, paid vacation, premium holiday pay, sick time, medical, dental, eye care benefits, and 401k plan.

### Job Description and Responsibilities

Essential duties and responsibilities of a Tank Farm Operator include the following, but not limited to: responsible for the receiving and dispatching of jet fuel via pipeline and/or tanker truck, take samples and perform tests on product for quality control and perform inspections. In addition, they are to perform routine and periodic inspections within compliance with company, government, and industry standards, transfer product and monitor storage tanks, pipelines, and related equipment to ensure that they are in good working order to prevent spills, releases, and product contamination. They are required to log entries of fuel transactions, quality control, and maintenance and perform all required tasks in a safety conscious manner, incorporating all aspects of the corporate and local facilities safety training program. Per shift, one person will be dedicated to ensure that the hydrant system is operating above and beyond status quo. In addition, the Tank Farm Operator shall assist in facility maintenance that include tank cleaning and filter changes plus perform mechanical work on hydrant valves, boxes, painting, and duties of similar skill levels. Tank Farm Operators will work under the guidance of the Lead Mechanic.

### Qualifications

Must be at least 18 years of age; hold a valid Texas driver's license, and High school diploma or equivalent. Must be able to work in extreme temperatures and inclement weather; days, nights, weekends and holidays. This position requires frequent walking, stretching, bending, climbing and must be able to lift up to 50 pounds. Must be able to pass drug screen, physical, and clear an FBI back ground check in order to obtain a US Customs security clearance and Airport SIDI Badge. Must be mechanically inclined, self-motivated, and possess good computer skills, good math skills, and knowledge of ATA-103.

### Equal Employment Opportunity

Allied Aviation and its subsidiary and affiliated companies are committed to a policy of equal opportunity and fair treatment for all employees and applicants for employment. To this end, the Company will recruit, hire and promote qualified persons for all job classifications solely on the basis of individual qualifications for the particular job to be performed and without regard to race, color, religion, gender, national origin, citizenship, age, disability, veteran status, sexual orientation or any other characteristic protected by Federal, state or local law.
